- DIFF 2 ● Medium circular ray of spill light free diffused light
- DIFF 3 ● Soft circular ray of spill light free diffused light

Only 3% light loss, 100% color rendering.

3. GOOD TO KNOW

- All the most used reflectors in one kit.
- Big compartments for grip.
- Additional spare Safety and Rigging Wedges.
- Extra Cleaning Cloths, Sponges and Pump Spray Bottles.
- Enough space to grow:
7x7 (5pcs), 15x15 (2pcs), 25x25 (2pcs) & 50x50 (2pcs) Precision Reflectors.

After considering our customer's feedback we are now launching a kit with the most used reflectors and an improved workflow for your grip and cleaning material.

THE REFERENCE

Designed and manufactured in Vienna, Austria.

After seven years on the market, Lightbridge has become the reference of reflected lighting.
